Batudaa Subdistrict in Figures 2020 is an annual publication written by BPS Regency of Gorontalo. Honestly, this publication has not perfect yet and has not filled the user's hope, especially for the planners yet, but hopefully it can help to equip compilation of development planning in Gorontalo Regency.

This comprehensive publication has been made possible with the assistance and contribution from several governmental institutions and private organizations. To all parties who have been involved in the preparation of this publication, I would like to express my sincerest appreciation and gratitude.

Comments and constructive suggestions for the improvement of this publication are always welcome.
