# Sistem Neraca Sosial Ekonomi 1975-2008

BADAN PUSAT STATISTIK

## KATA PENGANTAR

Publikasi Kompilasi Sistem Neraca Sosial Ekonomi (SNSE) Indonesia merupakan salah satu publikasi yang diterbitkan oleh Badan Pusat Statistik (BPS) dalam rangka mengimplementasikan fungsi dan tugas pokok BPS, yaitu menyebarkan informasi statistik kepada masyarakat. Publikasi ini merupakan kumpulan publikasi SNSE tahun 1975, 1980, 1985, 1990, 1993, 1995, 1998, 1999, 2000, 2005, dan 2008.

SNSE merupakan suatu kerangka data yang merangkum berbagai variabel ekonomi dan sosial suatu negara dalam suatu waktu tertentu secara komprehensif dan terpadu. Dengan demikian, SNSE tidak saja mampu menggambarkan kondisi ekonomi dan sosial masyarakat tetapi juga mampu menggambarkan keterkaitan antar variabel-variabel ekonomi dan sosial tersebut. Keterkaitan itu, misalnya adalah keterkaitan antara pertumbuhan ekonomi, ketenagakerjaan dan distribusi pendapatan.

Penghargaan dan terima kasih kami sampaikan kepada semua pihak yang telah ikut memberikan kontribusi baik secara langsung maupun tidak langsung sehingga publikasi ini dapat tersusun dan disajikan. Semoga publikasi Kompilasi SNSE Indonesia bermanfaat bagi para pembaca. Akhirnya, saran dan kritik dari para pembaca sangat diharapkan agar publikasi SNSE Indonesia pada masa-masa yang akan datang dapat ditampilkan dalam bentuk maupun kualitas yang lebih baik.

Jakarta, Desember 2011
