FOREWORD

The Book of Rindingallo in Figure 2015 as an annual publication comprises statistical data issued by the statistical data issued by Functional Statistics of Toraja Utara Regency.

This Book is undoubtedly beneficial to us especially for the information on how much progress we have achieved in various sectors, and on the things to be done in the future. Besides that, the data in this book can also be taken as comparisons and formulations for determining policies, planning, analysis, supervision and evaluation.

The Publication of statistic data which described the potential and growth of the development that have been obtained in last few years is very significant for those who are concerned such as planning board and observer of the development. Therefore this publication is expected to be improved both its content and its quality and as information resources of the development of the area in the near future.

I really expect that this book will be beneficial to all sides, both the government and the private company or public and could really become the main resource of data of Rindingallo District.
