## KATA PENGANTAR

Penyelenggaraan otonomi daerah memberikan keleluasaan kepada daerah untuk mengatur dan mengurus pemerintahannya sendiri sesuai kondisi dan potensi daerah. Kemampuan menggali sumber-sumber keuangan sendiri menjadi sangat penting, memerlukan sumber daya manusia handal yang mampu mengadopsi pengetahuan dan teknologi dalam memanfaatkan sumber daya alam. Perimbangan keuangan antara Pemerintah Pusat dan Daerah merupakan konsekuensi positif dari proses reformasi sejak krisis ekonomi terjadi, yang mengisyaratkan telah terjadi pergeseran paradigma dari sistem pemerintahan yang sentralistik ke sistem pemerintahan yang desentralistik.

Publikasi Statistik Keuangan Pemerintah Daerah Provinsi dan Kabupaten/Kota di Jawa Barat Tahun 2008-2012 merupakan publikasi BPS yang bersumber dari data sekunder pemerintahan yang memuat penerimaan dan pengeluaran dalam lima tahun terakhir. Selain realisasi pada tahun 2008-2011 juga terdapat aspek perencanaan yang tertuang dalam APBD 2012. Untuk memberikan pemahaman, dalam buku ini terdapat penjelasan mengenai konsep dan definisi yang digunakan serta ulasan ringkas keuangan pemerintahan provinsi, perbandingan antar kabupaten/kota maupun keuangan secara total yang merupakan penjumlahan keseluruhan dari 26 kabupaten/kota yang ada di wilayah Jawa Barat.

Ucapan terima kasih kami sampaikan kepada semua pihak terutama PEMDA Provinsi maupun Kabupaten/Kota di Jawa Barat yang telah bekerja sama dengan baik. Semoga publikasi ini bermanfaat.
