PREFACE

“Ubud District in Figure 2015” is an annual publication which shall be issued by the District Coordinator Statistics of Ubud. this publication is a continuation of a similar publication in previous years.

This publication is presenting various data from BPS Statistics of Gianyar and other agencies. The publication provides general pictures of geographic conditions, government, and key socio demographic and economic characteristics of Ubud District.

The release of this comprehensive publication has been made possible due to the assistance and contributions of various government institutions and private organizations. To all parties who have been involved the preparation of this publication, I would like to express my high appreciation and gratitude. Hopefully this publication will be usefull resource for any purpose. Comment and suggestions to improve the contents of this publication are always welcome.

*Ubud, November 2015
Head Central Bureau of Statistics
Gianyar Regency*
