PREFACE

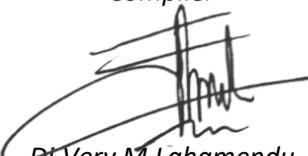

Tahuna Timur Subdistrict in Figures 2021 is an annual publication published by BPS Regency of Kepulauan Sangihe. This publication presents and provides an overview of the geographical conditions, characteristics and socioeconomic conditions of the population and the socioeconomic conditions of the subdistrict.

This comprehensive publication has been made possible with the assistance and contribution from several governmental institutions and private organizations. To all parties who have been involved in the preparation of this publication, We would like to express our sincerest appreciation and gratitude.

Although this publication has been prepared as well as possible, but it is realized there are still shortcomings and errors that occur. To improve this publication, comments and constructive suggestions are always welcome.
